

HE WASN'T ALWAYS RED. BUT HE'S ALWAYS BEEN THIRSTY.

Here's the story of our tree frog, a little guy with a big personality who traded in the rain in the forest for some fun in the sun. Now he lives aboard Carnival ships, making new friends along the way in his pubs, and life is good.

So why's he red? Some say it's because he takes that "paint the town" saying a little too seriously. Others say his redness comes from all those deliciously lazy days in the sun. Soaking it in up on that huge red funnel of ours. But we know it's all about that free-spirited, vivacious will of his - to live life to the fullest.

Quite a story, but hey, he's quite a frog.

And we'd like to welcome you to hang at his place - The RedFrog® Pub, home of our signature private label, ThirstyFrog® Red. It was built for those looking for good company, cold beer and a little pub grub. Surrounded by an island atmosphere so you can chill out and just take it all in.

Sit. Relax. Stay awhile.
