

WELCOME TO PRINCESS CAYS!

WATER SHUTTLE INFORMATION

GUESTS ASHORE APPROX. 9:15am **LAST WATER SHUTTLE FROM SHORE:** 3:15pm

Important: Please have your sail & sign card with you at all times.

Because there is no cruise ship pier in Princess Cays, water shuttles will provide the transportation between the ship and the island. Water Shuttles will run back and forth continuously throughout the day. The last water shuttle from shore to the ship will be 3:15pm (Ship's Time).

GUESTS WITHOUT A CARNIVAL CONQUEST SHORE EXCURSION

If you are not going on a Carnival Shore Excursion, please collect a water shuttle ticket to go ashore. The ticket system is our way of managing how many guests come to the gangway at a time. Water shuttle tickets will be available starting at 8:45am at the Alchemy Bar, Deck 5 Aft. Please make sure that everyone in your party has a ticket, and only retrieve a ticket once you are ready to go ashore. Once you are given a water shuttle ticket, you are free to relax anywhere around the vessel. When your ticket number is called over the PA system, we will then invite you down to the gangway to board the water shuttles. We kindly ask that you please only make your way down to the gangway after your specific number is called. Please note that announcements pertaining to the water shuttle operation will not be made inside guest staterooms.

GUESTS WITH A CARNIVAL CONQUEST SHORE EXCURSION

If you have purchased one of our organized Shore Excursions departing between arrival and 10:00am, please follow the instructions on your ticket and proceed to the specified lounge at the time indicated. When your tour is scheduled to depart, you will be escorted to the gangway to board your water shuttle.

If your shore excursion departs after 10:00am, please proceed directly to the gangway to board a water shuttle. It is recommended that you head ashore at least one hour prior to your tour departure time. Kindly ensure that you have your shore excursion ticket in hand, as this will act as your shuttle ticket. Once ashore, all tours will meet by the information booth on the pier. One of our Carnival Adventure team members will be standing by for assistance.

GUESTS WHO ARE USING MOTORIZED WHEELCHAIR / SCOOTER

Motorized wheelchairs and mobility scooters can be taken on water shuttles. You are welcome to stop by Guest Services to confirm availability of accessible shuttles. Our team will assist you in boarding an accessible water shuttle once available.

DIAMOND, PLATINUM, FASTER TO THE FUN AND SUITE GUESTS

You will receive a separate letter with special instructions of your meeting time and place. If you purchased a Carnival shore excursion, please follow the instructions on your shore excursion ticket.

OTHER USEFUL INFORMATION

- There will be limited beach towels on the island. Please bring the beach towel provided in your stateroom.
- CHEERS! and Bottomless Bubbles cannot be used on the island.
- Please remember to check your Sail & Sign account balance before going ashore as there are no Sail & Sign kiosks on Princess Cays.
- If you hear five short blasts of the ship's horn, proceed to the next available water shuttle on board as this indicates a change in sea conditions that may affect our water shuttle operations.
