

GOOD TO KNOW

FACE MASKS

- We recommend all guests to wear face masks when indoors, except when eating or drinking or in their own staterooms. Masks are also recommended in large congregated events outdoors where physical distancing cannot be maintained.
- Masks are highly recommended during the entire embarkation and debarkation process (at the home port and port of call), on any transportation, including water shuttles, and when indoors on any Carnival tour. Some home ports or ports of call may require masks during debarkation.
- Masks are required in the Medical Center.

YOUTH EXPERIENCES

- Camp Ocean will be open and offering activity sessions for children ages 2-11, regardless of vaccination status. Participation may be limited and attendance will be on a "first-come, first-served" basis. The Camp Ocean team will work with you to accommodate everyone as best as possible.
- Circle "C" and Club O2 will be open and offering activity sessions for children ages 12-14 and 15-17, regardless of vaccination status. Activity schedules will be posted in the HUB app. Teens do not need to sign-up for activity sessions.
- Youth Curfew: Guests 17 years of age and under who are not accompanied by an adult must be clear of all public areas by 1:00am each evening unless involved in a Club O2 or Circle "C" teen activity.
- For children under the age of two, please see the Camp Ocean staff for available drop-off sessions. (fees apply)

SAFETY FIRST

Life jackets are in your stateroom. All guests **MUST** watch the safety video playing in their stateroom TV and visit their assigned muster station before departure for instructions on life jacket use and important safety information.

An electronic mustering system and/or tally counter is used to account for each guest. A safety announcement will be made prior to departure, and you do not need to go to your muster station at that time. When the signal sounds, the announcement will be over.

Guests who have not self-mustered, will be required to participate in a general in-person safety briefing.

Safety instruction notices and muster station information is located on the placard behind your stateroom door and also in the safety information video on your TV. In the event of an emergency, instructions will be provided over the public address system.

Please contact your Stateroom Attendant or Guest Services if you need additional information or assistance.

For your safety, use handrails and watch your step as you move around the ship.

CODE OF CONDUCT: We want you to have a memorable vacation but please remember a cruise ship is a shared space. Our Carnival Values underscore that everyone should feel welcome and included, and that everyone on board demonstrate care and respect towards others and a spirit of community and neighborliness. Consistent with our commitment to safety, disruptive behavior is not tolerated and any guest whose conduct affects the comfort, enjoyment, safety or well-being of other guests or crew will be disembarked at their own expense and banned from sailing on Carnival in the future.

GOING ASHORE: Guests may participate in Carnival shore excursions and independent sightseeing. It will be necessary to follow the health protocols for every port we visit, which are under the control of local government and subject to change without prior notice. See local guidance on the back of this flyer.

Excursions can be purchased through the Carnival HUB app or at our Carnival Adventures desk on deck 3.

Guests under 16 years of age must be accompanied by an adult within the same travel group in order to get off the ship.

Agricultural products, including fresh fruit, vegetables, plants, seeds and meat products cannot be taken ashore. Infractions

ENVIRONMENT

Be thoughtful of your water consumption and turn off the faucets when not in use. Remember to turn off the lights when leaving your stateroom.

SMOKING AREAS

Smoking in non-designated areas, including staterooms and balconies, and discharging any item overboard is prohibited and will result in a \$500 charge per violation. This applies to all forms of smoking, including cigarettes, cigars, pipes, vaporizers, electronic cigarettes and marijuana. Cigarette & electronic cigarette smoking are permitted in the following areas:

INDOORS: Casino, for guests who are seated and actively playing only. Smoking is not permitted when the Casino is closed.

OUTDOORS: Deck 3 Fwd, Port Side and Deck 10 Mid, Starboard side. Cigars and pipes are only allowed on Deck 3 Fwd, Starboard and Deck 10 Mid, Starboard side.

Smoking is never permitted indoors or outdoors during refueling on embarkation day.

Carnival recognizes that some states in the U.S. have legalized the use of recreational and/or medical marijuana. However, cruise lines are required to follow U.S. federal law, which strictly prohibits possession and use of marijuana and other illegal substances. Consequently, marijuana, including marijuana for medical purposes, and other illegal drugs, are not allowed on board.

SPECIAL NEEDS

If you have special needs that we were not aware of prior to sailing, please inform your Stateroom Attendant or Guest Services. Captioning, when available, is offered on your in-stateroom TV. Should you require captioning for lounge movies or Carnival Seaside Theater, please contact Guest Services. Assistive listening devices are available upon request for shows in our Main Show Lounge. Our Guest Services team is available 24/7 to help with accessibility issues. Please note that our Guest Services Manager serves as the ADA Ship's Officer and is responsible for the handling of any disability-related claims during the cruise as well as reporting the resolution of any disability-related claims to our ADA Responsibility Officer.
