IMPORTANT:

Today, before sailing, we will hold our mandatory Safety Briefing. When the signal sounds, please go to your assigned muster station, which is printed on your Sail & Sign® card. All guests staying in your stateroom should stay together and keep their Sail & Sign® cards in hand.

Secure all loose items when entering and leaving the gangway and on open decks to avoid loss. Do not discard any items overboard. Let's all do our part to protect our awesome planet! As we navigate the river the ship will be making tight turns. For your safety, use the hand rails and watch your step as you move around the ship.
