KING'S WHARF, BERMUDA

ST. GEORGE, BERMUDA: St. George's is a World Heritage Site. Small charmers in the form of alleys make this place ideal for walking tours. The first historical stop is a replica of the Bermuda Cedar wood ship 1610 Deliverance, which was built by the 150 shipwrecked survivors of the Sea Venture so they could continue their sail to Jamestown. Cross over the bridge and you'll be in King's Square. As you look around at the buildings, you'll see how little has changed over the last few hundred years.

TICKETS ARE STILL AVAILABLE

Historical Forts of Bermuda

Explore four of the most famous and scenic forts of Bermuda: Fort Scaur, Fort Hamilton, Fort St. Catherine, and Gates Fort. Learn about Bermuda's naval and military history and her importance as a British naval outpost in the Northern Atlantic. Travel the entire length of the island, and savor spectacular views. Visit the Shore Excursions Desk on Deck 3 for more information.
