MSC CRUISES DAILY PROGRAM

WELCOME TO OCEAN CAY

Welcome to Ocean Cay MSC Marine Reserve, MSC Cruises' private island in The Bahamas.

From the morning arrival until departure, you'll have plenty of time today to soak up the spirit of The Bahamas and discover what makes this Island so special.

When we started work on Ocean Cay in 2016, it was an abandoned industrial sand excavation site and the surrounding ecosystem had suffered. After years of work, this stunning tropical destination forms the heart of a flourishing 64-square-mile marine reserve.

During your time on the island, please pardon our progress while we make Ocean Cay even better. You'll find various projects underway as you explore today, including a second food hall, more bars, additional excursion centers, more family-friendly offerings, and our new Marine Conservation Center.

We're doing our best to minimize disruptions—for you and the marine life that call Ocean Cay home.

Lighthouse Beach is open during the day to enjoy the entertainment activities and at night for the Luna Libre Party.

We encourage you to explore our seven other beaches, including the revamped Ocean Cay Lagoon and brand new Seekers Cove.

Once again, welcome to Ocean Cay. We're excited to have you join us on this incredible journey towards creating a one-of-a-kind sustainable destination.

Please note that smoking (including e-cigarettes) is not permitted on the island beaches. Smoking is only allowed in designated areas around the bars.

GOOD TO KNOW

*ARRIVAL

MSC Seashore will arrive to Ocean Cay and our crew along with The Ocean Cay Team will finalize the details for your day. Announcements will be made letting you know when it is time to go ashore.

Step 2 - Once on the island connect to the MSCOCEANCAY-Hotspot.

Follow the same steps before returning to the ship, to connect to the ship's Wi-Fi.

OCEAN CAY SHORE EXCURSIONS

The meeting location for Guests who have booked an excursion can be found on the tour ticket.

RENTAL STATIONS

There are rental stations located on the island to rent umbrellas and floating mats. Restrooms and showers are also located here.

BEACH TOWELS

Please bring a beach towel with you from the ship and return it when you come back onboard. Yacht Club guests will find towels on the island at Ocean House Beach.

REEF SAFE SUNSCREEN

As part of our coral restoration program, we ask all guests to use reef safe sunscreen. This can be purchased in the shops on the island.

PLEASE DO NOT REMOVE

Sea Shells, Conch Shells, Rocks and other natural materials on the beaches and in the waters of Ocean Cay play an important role in ecosystem of the marine reserve. Please do not bring any of these items back onboard with you. If found in your possession, these items will be confiscated and returned to their natural habitat. Please, kindly note that a 12% Bahamian Tax will be added to the listed prices of all Food & Beverage services and Shops on Ocean Cay MSC Marine Reserve.

MSC FOUNDATION

MSC Foundation is committed to restoring coral reefs with our Super Coral Programme. According to conservation scientists, the key to reversing the rapid decline in coral reefs lies in assisting coral's natural selection process by establishing certain hardy species and varieties, dubbed "Super Coral", which are more resilient to severe environmental stresses like extreme heat. At Ocean Cay, we're growing critically endangered coral in offshore nurseries to be outplanted across 64 square miles of the surrounding marine environment.
