

WELCOME

Welcome to Splash Academy!
Our "Turtles" program is specifically designed for children 3-5 years old. Supervised by our certified and energetic staff, your children will explore and engage in lots of activities with children their own age. From finger painting and arts & crafts to board games and giant puzzles, it's all fun and games. And the best part, our exciting and educational classes are all complimentary. So while you're enjoying a bite to eat, a relaxing massage or even a little shopping, you can be certain your kids are having fun in a safe and family-friendly environment.
