YOUR VACATION NEVER ENDS

Norwegians live life to the fullest. They smile bigger, explore further and relax longer, because they're free to let inspiration guide them from one experience to another. There's still so much to do, go for a relaxing facial or a bamboo massage, pick up a thing or two at the shops, order the drink of the day. Whether you're into extreme, serene or something in between, we've got plenty of activities for you to enjoy around the ship. And Oh! Don't forget to be reason for someone to smile! 😊

TIP OF THE DAY: Looking for fun? There's lots to do on board. You can go to the spa, play a little basketball... the list is practically endless! And since this is Freestyle Cruising, you can just opt to take a nice long nap, too.
